INDOOR ACTIVITIES

The Château features a game room equipped with American billiards and table football, as well as a private nightclub with a backlit dance floor—the perfect setting for your exclusive evening events.

A wide range of bespoke activities can be tailored to suit your seminar's unique program. For team building and relaxation, we offer wellness sessions such as Fit Ball, as well as artisanal workshops in bread-making or French cuisine. To experience our local heritage, we also host curated tastings of fine wines, Calvados, regional beers, whiskeys, perry, and cider.

Enhance your stay with our curated selection of evening events: from Murder Mystery nights and Magic and Mentalism to live concerts, dance classes, and DJ sets. Each experience is hosted by high-level professional performers and fully adapted to the size and spirit of your group.

OUTDOOR ACTIVITIES

The estate spans a diverse landscape of parkland, lakes, woodlands, and organic farmland. It is home to over 200 animals, including Valais Blacknose sheep, alpacas, Angora goats, and Shetland ponies. Several endangered species are protected here through active conservation and sustainable breeding programs. Guests are invited to reconnect with nature through unique activities, such as wool-working workshops or animal feeding sessions.

Throughout your stay, a variety of facilities are available at your leisure, including an outdoor swimming pool open during the summer months and rowing boats for peaceful excursions on the lake. The estate offers a wealth of outdoor activities designed for relaxation and team bonding, such as yoga, archery, croquet, table tennis, and fishing. For those wishing to explore the grounds, the scenic park trails are perfectly suited for cycling and discovering the beauty of the local flora and fauna.
